Mr. John Malinowski
BPAC

Dear John,

Thank you so much for coordinating the lighting of the Burchfield Penney Art Center in orange for the Inauguration. Your excellent work and involvement helped to make "Inauguration Week 2014" a spectacular occasion for our students, faculty, staff, alumni and friends and the larger Buffalo community – one that will not soon be forgotten.

Our family and friends who joined us on October 21st were truly able to get a sense for Buffalo State College: who we are; who we aspire to be; how we work together; how we value each individual; and most importantly how we strive to create a success story for each and every student. You were an important part of helping us convey that image.

I appreciate all of your efforts and the role that you played in making this inauguration a truly joyful time for all of us. Thank you again.

Sincerely,

Katherine Conway-Turner, Ph.D.
